01 — THE FOUNDATION

ONE YEAR. 43,000 KM.

Max is the first to ride solo around Europe on a road bike – a world record attempt on the continent's outermost roads. For 2026 he expects around 43,000 km in total: approx. 33,000 km on the tour plus approx. 10,000 km before it. Daily updates on Instagram, a new YouTube video every few weeks.

ANNUAL MILEAGE 2026 · FORECAST
